The Art of Breath Analysis

"The genius here is in the blending of the conscious and unconscious minds to achieve our highest potential. Breathing is good medicine."

-- Christopher C. French, MD, MPH

"Judith Kravitz is the most impressive teacher for breathwork I have ever encountered in both the East and the West. Her techniques have the power to lead one to have a direct experience of liberation on many levels. You may call it a short cut to enlightenment."

-- Rinpoche Tulku Thubten, Tibetan Buddhist Lama

DR. JUDITH KRAVITZ DM, an ordained minister, has taught and advanced the field of Breathwork for over 4 decades. She was inspired by a personal experience of self-healing a cancer on her neck, based on

principles and skills acquired through her work with the breath.

Her book, "Breathe Deep, Laugh Loudly", is the ultimate breather's manual as we embrace major transitions in the paradigms for health and well-being.
