"Judith Kravitz is the most impressive teacher for breathwork I have ever encountered in both the East and the West. Her techniques have the power to lead one to have a direct experience of liberation on many levels. You may call it a short cut to enlightenment."

-- Rinpoche Tulku Thubten, Tibetan Buddhist Lama

Dr. Judith Kravitz DM, an ordained minister, has taught and advanced the field of Breathwork for over 4 decades. She was inspired by a personal experience of self-healing a malignant tumor on her neck, based on principles and skills acquired through her work with the breath.

Judith travels worldwide sharing this amazing process. Her book, "Breathe Deep, Laugh Loudly", defines the potential of conscious breathing as we embrace major transitions in the paradigms for health and well-being.
